3. Report on Campus Recruitment Drive “Project Shakti”

Dated: 12.04.2023

Career Counseling cell, Lala Rural College conducted a Campus recruitment drive under “Project Shakti” for TDC final year students in association with SBI Life Insurance Corporation on 12.04.2023 in the Auditorium Hall, Lala Rural College campus. Around 62 numbers of students attended the program, out of which 35 candidates confirmed their interest to join the organization and enrolled their names for further processing. The program was specifically designed for the female graduate candidates to offer them employment opportunity for the post of Financial Advisor. The recruitment drive presented a chance for students to explore a rewarding career in the insurance sector, work with industry experts, and become part of an esteemed institution known for its exceptional customer service and financial expertise.

Students were asked to bring their updated resumes, academic transcripts, and other relevant documents. A team of two Technical Experts came for searching suitable talents who aware students and gave a detailed knowledge of the organization and job profile. The selection process includes written tests, group discussion and personal interviews.

The overall experience and feedback of the Project Shakti recruitment team was very positive as the need of their organization to search the right talent to drive its business objective was fulfilled by the students.

Our Principal Dr. Himabrata Chakroborty appreciated the team members of SBI Life and Career Counseling cell for the successful accomplishment of the programme and also quoted how such programs are vital in boosting the confidence of the students.

Sincerely
