

COMMUNITY EXTENSION & SERVICES CELL

IQAC

LALA RURAL COLLEGE, LALA

The Community Extension & Services Cell, IQAC, Lala Rural College

The Community Extension and Services Cell was reorganized in the year 2019 vide IQAC Resolution No. 3 dated 26th January, and further reconstituted in 2021 vide IQAC Resolution No. 10 dated 18th January, 2021.

The college instills social values and responsibilities to the faculty members and students about the importance of extension activities in the neighbourhood for a holistic development of the society in general and the college in particular. The Community Extension and Services Cell aims at enrichment of the social responsibilities of the students. For this the Cell frames programmes with the support of other cells of the IQAC to extend services to the nearby areas. Through preemptive programmes students are sensitized awareness regarding their responsibilities towards the society and the need for developing it. Through outreach programmes the Cell sensitizes students to develop and understand social values, shouldering responsibilities and knowledge on social issues with inclusivity of the community at large.

Scholarship
Humanity
Excellence
Services

Objectives of the Cell

1. Empower human resources through active participation in community development.
2. Expose students to people who are at a disadvantage (socially, medically, economically, or otherwise)
3. Help students to realize they can make a difference and give them the tools to do so.
4. Develop awareness among students about the better understanding of the communities they live in.
5. Promote the conservation of environment and generate awareness about measures to mitigate environmental pollution.

Activities of the Cell

- The Cell communicates and cooperates with NSS unit, Women's Cell and other cells of the college to organize events and programs that can serve as awareness of social and environmental issues.
- The Cell encourages students to take part in extension activities organized by different cells of the college that can enhance their personality by engaging in community services.
- The Cell believes in learning through working. It attempts to inspire students to get accustomed to the very essence of work ethics and social responsibilities by learning through working.

- The Cell takes initiatives in creating passionate tendency towards the poor and the underprivileged people. To this end, the cell cooperated with the NSS unit to organize a relief work for the downtrodden during COVID pandemic.
- The Cell takes initiatives to communicate with students in particular and the community at large about the importance of blood donation as a selfless and voluntary service to the society and pleaded to ensure maximum participation of blood donors in blood donation camps.
- The Cell collaborates with other cells to conduct cleanliness drive and plantation of saplings in the campus and the neighbourhood.
- The Cell reviews various programs for their further efficacy and teams up with cells to facilitate programs like International Yoga Day, World Environment Day, World No Tobacco Day and the like to take place in productive manners in order to update students with the spirit of Indian knowledge system.
- The Cell initiates to ensure the process of the distribution of old clothes among the underprivileged people
- The Cell takes initiatives to facilitate the functioning of Health camp meant for downtrodden people of slum and rural areas.
- The Cell motivates students to get away from the consumption of tobacco in any form. To this end, the cell works towards generating awareness about COTPA.

Future Plans:

The college has future plans to adopt a village under ‘Adopt a Village’ caption.
