(Dr. Himabrata Chakravarty)
Lala Rural College, Lala

Co-Ordinator, IQAC
(Dr. Ng Dayamay Singha)
Lala Rural College, Lala

Overview

At Lala Rural College, we recognize the paramount importance of holistic education that extends beyond traditional classroom learning. In line with our commitment to nurturing well-rounded individuals ready to excel in the competitive global landscape, we have established the Vocational Training and Life Skill Development Cell. The cell was formed vide Resolution No. 10 adopted in the meeting of the IQAC, Lala Rural College held on 18th January, 2021. This cell serves as a catalyst for equipping our students with practical skills and life competencies that not only enhance their employability but also empower them to navigate the challenges of the 21st century with confidence and resilience.

Mission and Vision:

The mission of the Vocational Training and Life Skill Development Cell is to empower our students with the knowledge, skills, and competencies necessary to thrive in a rapidly changing world. We are committed to providing high-quality vocational training and life skill development programmes that cater to the unique needs and aspirations of our students.

Our vision is to create a vibrant and inclusive learning environment in which students especially from rural backgrounds can access high-quality vocational training and life skills development programmes. We envision a future where our graduates are not only skilled professionals but also responsible citizens with the ability to make positive contributions to society.

Aims and Objectives:

The aims and objectives of the Vocational Training and Life Skill Development Cell of the college are centered around preparing students for success in their careers and personal lives. These objectives are designed to equip students with practical skills, knowledge, and personal attributes that go beyond traditional academic learning. Here are some common aims and objectives:

Aims:

1. **Enhance Employability:** The primary aim is to improve students' employability by providing them with relevant vocational skills and industry-specific knowledge that align with current job market demands.
2. **Promote Holistic Development:** The cell aims to foster holistic development by not only focusing on professional skills but also on personal growth, communication skills, emotional intelligence, and ethical values.
3. **Bridge Theory and Practice:** The aim is to bridge the gap between theoretical knowledge gained in classrooms and real-world practical applications, thereby making education more relevant and impactful.
4. **Facilitate Career Readiness:** The cell aims to prepare students for the transition from education to the professional world by offering career guidance, job-search strategies, and interview preparation.
5. **Cultivate Entrepreneurial Spirit:** Some cells may aim to instill an entrepreneurial mindset by encouraging innovation, creativity, and providing guidance on starting and managing businesses.

6. Empower Personal Well-being: The aim might extend to promoting students' mental, emotional, and physical well-being through sessions on stress management, time management, and maintaining work-life balance.

Objectives:

1. Offer Practical Training: Provide students with hands-on training and practical experience related to specific industries, job roles, or vocational skills.
2. Develop Soft Skills: Help students develop essential soft skills such as communication, teamwork, leadership, problem-solving, and critical thinking.
3. Facilitate Industry Collaboration: Collaborate with industries, organizations, and experts to offer workshops, seminars, internships, and projects that align with industry needs.
4. Organize Skill Enhancement Programmes: Organize workshops, training sessions, and seminars to enhance students' skills in areas like communication, time management, networking, and interpersonal relationships.
5. Promote Personal Growth: Conduct sessions and activities that contribute to students' personal development, emotional intelligence, and self-awareness.
6. Create Networking Opportunities: Facilitate interactions between students and professionals through guest lectures, industry visits, and networking events.
7. Encourage Lifelong Learning: Instill a mindset of continuous learning and adaptation to industry changes by promoting the value of ongoing skill development.
8. Support Diverse Career Paths: Recognize that students have diverse career aspirations and provide resources and guidance for various career paths, including traditional employment and entrepreneurship.

In essence, the aims and objectives of a Vocational Training and Life Skill Development Cell revolve around empowering students with a combination of practical skills, personal growth opportunities, and career readiness strategies, all of which contribute to their success in the professional world and in life overall.

Leadership and Structure:

The Vocational Training and Life Skill Development Cell is led by a dedicated coordinator cum convener (Dr. Sonali Roy) and supported by a team of experienced faculty members (Dr. Dr. L. Musindra Singha and Mrs. Deepmala Paul) and administrative staff. This structure ensures efficient coordination, programme development, and delivery.

Documentation and Reporting:

To maintain transparency and accountability, we maintain meticulous records of training programmes, certifications, etc. Regular progress reports are generated and shared with college administration to ensure transparency and accountability.

Inclusivity and Diversity:

Our programmes are designed to be accessible to students from diverse backgrounds, abilities, and genders. We are committed to promoting equal opportunities for all students and fostering diversity in programme participation.

Awareness and Outreach:

We actively promote our programmes and activities through various channels, including the college website, social media, and notice boards.

In conclusion, the Vocational Training and Life Skill Development Cell of Lala Rural College is not just an initiative; it's a commitment to our students' holistic growth and success. We are dedicated to preparing them for a brighter future, one that is characterized by excellence, resilience, and the ability to thrive in an ever-changing world. Together, we embark on a journey of lifelong learning and empowerment with the motto of “Empowering Today, Transforming Tomorrow”.

SESSION: 2020-2021

The activities of Vocational Training and Life Skill Development Cell for the session 2020-2021 are as follows:

Vocational Training and Life Skill Development Cell's COVID-19 Awareness Initiative

In response to the ongoing COVID-19 pandemic, the Vocational Training and Life Skill Development Cell, IQAC, Lala Rural College, initiated a comprehensive awareness campaign aimed at promoting essential preventive measures. The campaign focused on raising awareness about proper mask usage, hand sanitization and effective hand hygiene through the strategic placement of informative banners and posters across the college campus. The primary objective was to educate students, staff, and visitors about the correct way to wear masks to maximize their effectiveness in preventing the spread of the virus. Another key goal was to emphasize the importance of thorough handwashing as a fundamental practice to reduce the risk of infection. The initiative aimed to highlight the significance of using hand sanitizers as an alternative to handwashing and to illustrate proper techniques. The initiative also aimed to enhance overall understanding of COVID-19, its transmission, and the significance of adopting preventive measures.

Engaging and informative banners and posters were designed by the Vocational Training & Life Skill Development Cell in collaboration with graphic designers. The content included visually appealing graphics and concise text that conveyed the key messages clearly. Banners and posters were strategically placed in high-visibility areas across the college campus, including entrances, corridors, and common areas. Banners highlighted the correct way to wear masks, covering both the nose and mouth. They emphasized the importance of wearing masks consistently, especially in crowded spaces. The campaign depicted proper hand sanitization techniques, including the amount of sanitizer to use and the areas of the hands to target. Step-by-step visuals and concise instructions illustrated the recommended handwashing procedure, underscoring the need for thoroughness. Proper handwashing techniques were demonstrated through step-by-step visuals, showcasing the recommended duration and areas to focus on. Banners and posters reminded individuals to maintain a safe distance from others and avoid close contact to reduce the risk of transmission.

The initiative garnered positive responses from the college community. Students appreciated the informative banners and posters, and many reported improved awareness of proper mask usage and hand hygiene.

SESSION: 2021-2022

The activities of Vocational Training and Life Skill Development Cell for the session 2021-2022 are as follows:

15 Days Computer Training Course

Date: 21st May to 4th June, 2022

Venue: Rongpur Part- I, Lala, Hailakandi

A Computer Training Programme/Course for the students was organized by the Vocational Training and Life Skill Development Cell, IQAC, Lala Rural College in collaboration with Mongaldip Infotech under Soft Skill Development Programme from 21st May to 4th June, 2022 with an objective to acquaint the students with knowledge of computer basics and applications.

The inaugural session began at 10.30 a.m. with opening remarks by Dr. Sonali Roy, Convener, Vocational Training and Life Skill Development Cell, IQAC, Lala Rural College. Dr. Tanuj Kumar Dey, Principal, Lala Rural College inaugurated the programme and gave his inaugural speech highlighting the importance of computer knowledge in today's world.

A total of 30 students, both from Arts and Commerce Stream, participated in the programme. The training process was incredible and interesting, as the institution provided the environment/ space, instructors and training manual/ curriculum was distributed to each participant before the start of the process. All the sessions were very effective and fruitful for the participating students. The queries put forward were effectively answered by the efficient instructors of the institution.

The valedictory session was held on 4th June, 2022 at 4.00 p.m. It started with the speech of Dr. Tanuj Kumar Dey, Principal i/c. He emphasized on the fact that having an in-depth knowledge of computers is an invaluable skill to have these days. Since the extensive use of computers is bound to increase in the foreseeable future, computer skills will be really valuable. He also assured that the college would be organising more such training programmes in future to enhance the computer knowledge of the students of Lala Rural College. The programme wrapped up around 4:30 p.m. with the distribution of certificates and delivery of vote of thanks by Mrs. Deepmala Paul, Asstt. Professor and Member, Vocational Training and Life Skill Development Cell, IQAC. The college authority had given tremendous support and co-ordination in making this event a successful one. After completion of this workshop students have felt encouraged to explore these areas further.

Development Cell, IQAC

Course Outline:

Topic	Sub -Topics
Computer Applications & Basics	Introduction, Basic Applications of Computer, Components of Computer, Connecting Computer Components, Computer Hardware & Software.
Computer Operating System	Basics of Operating System, Linux, Windows, Task Icons, Bars, System Settings, Setting Date & Time, File Management.
Word Processing	Introduction, Printing a File, Document Creation, Editing, Saving & Text Formatting,
Working with Graphs and Charts	Creating Charts using Char Wizard - Steps to Create an Embedded Chart, Steps to Create Separate Charts on a Chart Sheet. Sizing and Moving Charts. Updating Charts, Changing the Chart Type. Adding Titles and Gridlines and Formatting Legends -Adding a chart title, Adding gridlines and formatting legends. Previewing and Printing Charts.
Microsoft Excel, Spreadsheet & Worksheet	Introduction, Rows, Columns & Cells, creating and using multiple worksheets and linking workbooks.
Power point	Slides, Creating Power Point Presentation and Designing.
Database Management	Introduction, Adding Sort Codes, Sorting the Database, Basics of List, Finding Records, Using Wildcards, Filtering Records in a Worksheet - Customizing filters, Using

	multiple filters, Summarizing Data, Creating the Pivot Table.
Using Functions	Applying Functions - The Round Function, The Count Function, The Max Function, The Min Function, The Average Function, The Sum Function. Worksheet Function using Function Wizard, The VLOOKUP Function
Creating and Using Macros	Creating Macros, Recording Macros and Steps for recording a Macro, Recording the macro, Running a Macro. Documenting the Macros - Examine your macros, Step to add comments in a macro. Assigning Macros to Buttons - Creating Macro Buttons, Resizing a macro button, Moving a macro button. Running Macros with Macro Button, Using a Keyboard short-cut to Run Macro, Assigning a short-cuts key to a macro.
Introduction to Internet	WWW & Web Browsers, Basics of Computer Network, Internet, Search Engines, URLs, How to Use Web Browser? An Overview of Computer Viruses, Basics of Email, How to Use Email, Instant Messaging, Formatting an Email.
Integrating Excel with Word and the Internet	Integrating Worksheet Data and Charts with Word, Creating an Embedded Worksheet Object in Word Document, Creating a Hyperlink to a Word Document, Using the Internet Assistant Wizard to Convert Worksheet Data and Charts to Web Pages.

Creating Web	Creating a Web Page from a wizard, Creating a web page from a Template, Converting a Word Document to a Web page.
MS ACCESS	Ms Access Database Components, Introduction to Database - Creating Database-Wizard, Creating Tables Wizard, Design View, Datasheet View. Basic Structure of Tables – Field Names, Data Types, Description, Properties. Creating Queries - Opening Queries, Design View, Datasheet View, Closing Queries. Introduction to Form - Opening a Form, Types of Forms, Designing a Form Wizard, Navigating in Forms, Finding Records in Forms. Introduction to Reports - Opening and Viewing Reports, Types of Reports, Forms and Reports, Closing and Saving Reports.

5 Days Vocational Training Programme on Cutting and Tailoring organised by Vocational Training & Life Skill Development Cell, IQAC, Lala Rural College, Lala

With a small step taken towards skill development and making the students self-sufficient this 5 Days Vocational Training Programme on Cutting and Tailoring was organised by Vocational Training & Life Skill Development Cell, IQAC, Lala Rural College, Lala from 27th May to 31st May, 2022 in the premises of the college.

Inauguration of the programme was held on 27th May, 2022 at Old Library Building of the college and the inaugural session began at 11.00 a.m. with the welcome address by Dr. Sonali Roy, Convenor, Vocational Training & Life Skill Development Cell, IQAC, followed by the inaugural speech by Dr. Ng. Dayamoy Singha, HoD, Department of History. He emphasized on the significance of skill development and how necessary it is for every student to earn their livelihood independently.

The course was a meticulously designed tailoring course for beginners. Ms. Moonmoon Kangsabanik was hired as the instructor for the programme with arrangement of one stitching machine. The instructor was chosen based on her experience, qualification and her self-motivation to teach students. A total of 22 students, both from Arts and Commerce Stream, participated in the programme. In this course the basics of tailoring, which included how to take measurement, how to choose the right fabrics, and how to cut and sew a basic garment like blouse and kurti was taught. On the last day of the programme the students exhibited their skill of stitching, whatever they have learned from this vocational training programme and were also given participation certificates.

The valedictory session started from 2.30 p.m on 31st May, 2022 with the speech of Dr. Tanuj Kumar Dey, Principal i/c. The speech elucidated on the importance of imparting employability skills along with the process of holistic development of the students. The programme wrapped up around 4:30 p.m. with the vote of thanks from the Convener. The college authority had given tremendous support and co-ordination in making this event successful.

Session: 2022-2023

The activities of Vocational Training and Life Skill Development Cell for the session 2022-2023 are as follows:

Report on the IBM Skills Build Orientation Workshop

The IBM Skills Build Orientation Workshop was organized by the Vocational Training and Life Skill Development Cell, IQAC, Lala Rural College in collaboration with the District Employment Exchange of Hailakandi on 16th March, 2023. The workshop aimed to provide students with valuable insights into the world of technology, enhance their employability skills, and equip them with the knowledge and resources required to thrive in the digital era.

The workshop began at 2.30 p.m and was attended by Principal and faculty members of the college, representatives from IBM, officials from the District Employment Exchange, and enthusiastic students. A warm welcome address and a brief introduction to the objectives and agenda of the programme was delivered by the Principal of the college, Dr. Himabrata Chakravarty. A representative from IBM named Mr. Shubham Naskar delivered an inspiring keynote address, emphasizing the importance of digital skills in today's job market. He highlighted the role of IBM Skills Build in bridging the digital skills gap and creating employment opportunities.

The workshop featured a rapid overview of key digital skills and technologies, including Psychometric Analysis, In Module Assessments, Artificial Intelligence, Cloud Computing, Cybersecurity, Web Development, and Digital Marketing. Each topic was presented in a snapshot format to generate interest and curiosity among the participants. An official from the District Employment Exchange named Mr. Samujjal Das provided a brief insight into the career opportunities associated with the showcased skills. He offered insights into current job trends and the industries where these skills are in high demand. A short Q&A session allowed participants to seek clarification and engage in a brief discussion about the workshop content and related career prospects.

The workshop concluded with closing remarks from Mr. Shubham Naskar, emphasizing the importance of continuous learning and self-improvement in the digital age. Participants were encouraged to explore IBM Skills Build and similar programmes. The two-hour IBM Skills Build Orientation Workshop held at Lala Rural College Hailakandi, effectively introduced students to the world of digital

skills and career opportunities. Despite its brevity, the workshop provided valuable insights into the significance of acquiring digital skills and the potential career pathways they open. The collaboration between the Vocational Training and Life Skill Development Cell and the District Employment Exchange was instrumental in bringing this informative session to students.

We extend our gratitude to CSRBOX of IBM and District Employment Exchange, Hailakandi for choosing Lala Rural College for the said workshop.

An Orientation Programme on Youth Multi-Purpose Coop: Societies & Employment Generation

The Assistant Registrar of Cooperative Societies, Hailakandi, organized a one-day Orientation Programme on Youth Multi-Purpose Coop: Societies & Employment Generation on 06th April, 2023 for the undergraduate students in collaboration with Vocational Training & Life Skill Development Cell and Career Counseling Cell, IQAC, Lala Rural College. The programme commenced with a welcome note delivered by Mrs. Deepmala Paul, Convener, Career Counseling Cell, at around 11.30 a.m. at Auditorium Hall. This was followed by an inaugural speech by Dr. Himabrata Chakrabarty, Principal, Lala Rural College.

In his introductory speech he welcomed the resource persons and the student participants. He enlightened the students and motivated them to acquire professional skills and knowledge to avail themselves of employment opportunities and utilize the platform provided by Assam Co-operative Societies.

A Panel of two members Mr. Hizbur Rahaman, Auditor Co-operative Societies, and Mr. Mihir Kanti Paul, Auditor Co-operative Societies were approached as the resource persons from the office of Assistant Registrar of Cooperative Societies, Hailakandi, who made the students aware of the employment generation schemes provided by Assam Co-operative Societies. Mr. Mihir Kanti Paul was felicitated by Dr. Sonali Roy, Convener, Vocational Training & Life Skill Development Cell whereas Mrs. K. Dipika Singha, Member, Career Counseling Cell felicitated Mr. Hizbur Rahaman with Assamese Gamocha as a token of appreciation and respect.

Mr. Hizbur Rahaman initiated the technical session at around 12 p.m. where the students were informed about the newly introduced scheme by Registrar of Cooperative Societies, Assam. Under this scheme, students have an opportunity to form a co-operative group of 10 members or more and come up with a business proposal where the organization will lend them all amenities including the seed money.

Later on, Mr. Mihir Kanti Paul explained in detail regarding the process of registration, formalities and initial amount required to start the business. He also attended all the queries raised by the students in respect of formation of co-operative groups.

Around 179 students and 27 staff members participated in the programme, out of which 20 numbers of students confirmed their interest to grab the prevailing opportunity. In this regard, Mr. Alok Regon, Assistant Professor, Department of Economics, was appointed as the nodal teacher to guide and mentor the interested students.

The overall response and feedback of the programme was positive as the objective of the organization to search for adequate number of students to initiate startup business and to generate employment opportunities was fulfilled. The programme ended at around 2.30 p.m. with a vote of thanks delivered by Dr. Ng. Dayamaya Singha, Co-ordinator, IQAC.
