**Research and Publication Cell,
IQAC Lala Rural College,
Lala**

The Research and Publication Cell of Lala Rural College aims to ensure a viable academic atmosphere for research activities among teachers and students. The cell envisions a robust mechanism for developing and strengthening the research ecosystem within the institution. The cell seeks to explore new avenues of knowledge, encourage and promote research culture at the College. To this end, the cell encourages faculty members to undertake and pursue their research and publish their findings. They are also encouraged to participate and present papers at conferences, seminars, symposia and workshops. The cell sits with faculty members of all departments periodically in order to encourage them to engage in research works in their respective domains. The cell was reconstituted vide Resolution No. 10 adopted in the meeting of the IQAC dated 18/01/2021. The cell at present comprises the following members:
