TEACHERS FEEDBACK

The feedback form is intended to collect information relating to your satisfaction towards the curriculum, infrastructure and institution. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the institution.

Directions:

A score for each item please indicates your level of satisfaction with the following statement by choosing between 1 & 5.

Excellent (5)	Very Good (4)	Good (3)	Average (2)	Poor (1)
---------------	---------------	----------	-------------	----------

CURRICULUM / SYLLBUS						
Sl. No.	Questions	Excellent (5)	Very Good (4)	Good (3)	Average (2)	Poor (1)
1	The curriculum is up-to-date and reflects current education standards					
2	The curriculum is designed to develop critical thinking and problem-solving skills.					
3	The curriculum provides opportunities for student					

	engagement and active learning.					
4	The assessment methods effectively measure student learning outcomes.					
5	There are opportunities for collaboration between faculty members in curriculum development.					
6	The learning objectives are clear and appropriate in the programme.					
INSTITUTION						
1	The institution fosters a culture of professional development for faculty.					
2	The administrative staff is helpful and supportive.					
3	There are clear communication channels between faculty and administration.					
4	The institution prioritizes student success and well-being.					
5	The institution's mission and vision are clearly communicated and reflected in practices.					
INFRASTRUCTURE						
1	Classrooms are well-maintained and conducive to learning.					
2	The institution provides adequate access to technology and learning resources.					
3	Computer labs, ICT tools and other specialized facilities are well-equipped and maintained.					
4	The institution has adequate support staff for maintaining infrastructure.					
5	The overall infrastructure contributes to a positive learning environment.					

COMMENT/ FEEDBACK

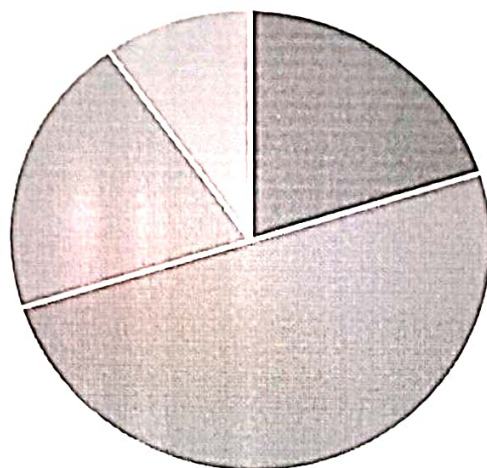

TEACHERS' FEEDBACK ANALYSIS ON SYLLABUS ACADEMIC

YEAR: 2023-2024

In the academic session 2023-24 feedback of teachers on syllabus was taken with the help of a questionnaire Annexure 1. A total of 30 teachers responded to the given questionnaire and their responses were analysed. The score for each item indicates the level of satisfaction with the statement categorized in five levels i.e. 'Excellent', 'Very Good', 'Good', 'Average' & 'Poor' and the collected data are interpreted as follows:

- *The curriculum is up-to-date and reflects current education standard* – it is found that most of the faculty members marked 'Very Good' i.e. 50% and 20% of the faculties marked 'Good' and 10% marked 'Average' and the rest 20% marked 'Excellent'.

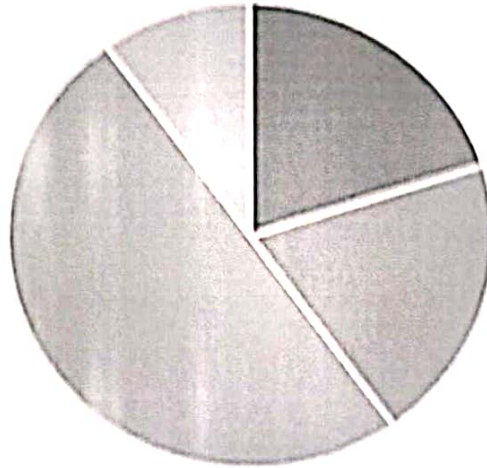

Updation of curriculum

■ Excellent ■ Very Good ■ Good ■ Average

- *The curriculum is designed to develop critical thinking and problem-solving skills* - it is found that most of the faculty members marked 'Good' i.e. 50% and 20% of the faculties marked 'Very Good' and 10% marked 'Average' and the rest 20% marked 'Excellent'.

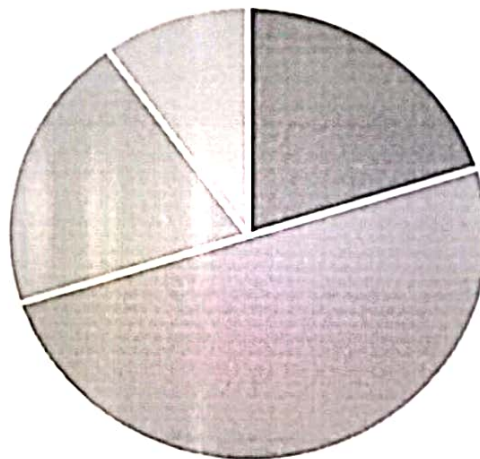

Design of curriculum

■ Excellent ■ Very Good ■ Good ■ Average

- The curriculum provides opportunities for student engagement and active learning - it is found that most of the faculty members marked 'Very Good' i.e. 50% and 20% of the faculties marked 'Good' and 10% marked 'Average' and the rest 20% marked 'Excellent'.

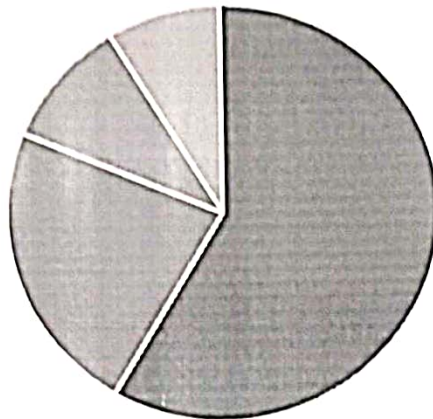

Curriculum provides opportunities for students

■ Excellent ■ Very Good ■ Good ■ Average

- Regarding whether the assessment methods effectively measure student learning outcomes : the response was in between Very good and Good, whether 40% marked Very good and 30% marked good, the rest excellent and average were 20% and 10% respectively.

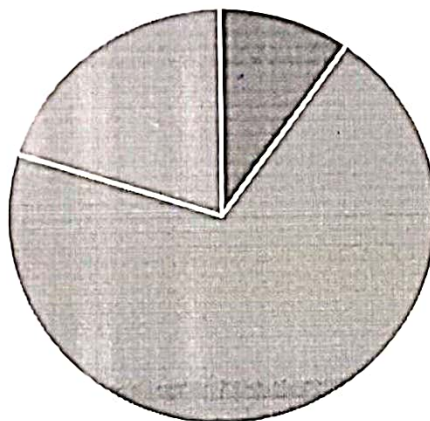

The assessment methods effectively measure student learning outcomes.

■ Excellent ■ Very Good ■ Good ■ Average

- There are opportunities for collaboration between faculty members in curriculum development : Almost all the faculties are highly agreed and 70% of the faculties marked 'Very Good', the 20% marked 'Good' and the rest 10% marked average.

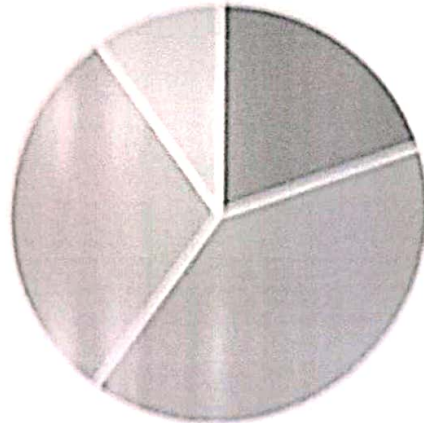

There are opportunities for collaboration between faculty members in curriculum development.

■ Excellent ■ Very Good ■ Good ■

- The learning objectives are clear and appropriate in the programme : Regarding learning objectives, the opinions of the faculties are as marked, i.e. 20% faculties marked 'Excellent', 40% marked 'Very Good', 30% marked 'Good' and the rest 10% marked 'Average'.

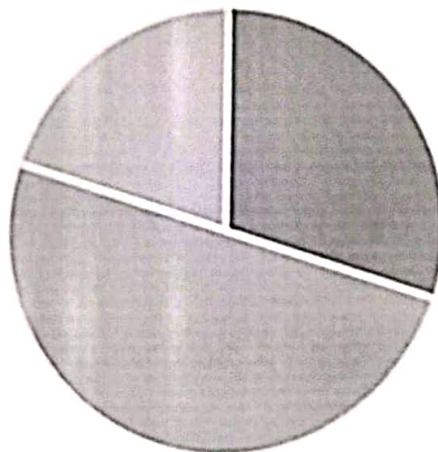

The learning objectives are clear and appropriate in the programme.

• Excellent • Very Good • Good • Average

- The institution fosters a culture of professional development for faculty: Half of the total faculties marked 'Very Good' and the rest is divided between 30% Excellent and 20% Good.

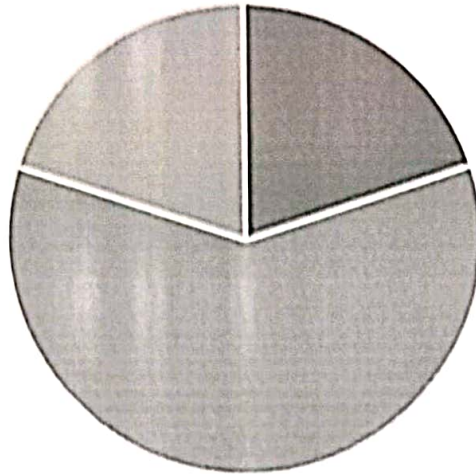

The institution fosters a culture of professional development for faculty.

• Excellent • Very Good • Good •

- The administrative staff is helpful and supportive: Regarding this point, most of the faculties i.e. 60% of the faculties marked 'Very Good' and the rest 40% is divided equally between Excellent and Good.

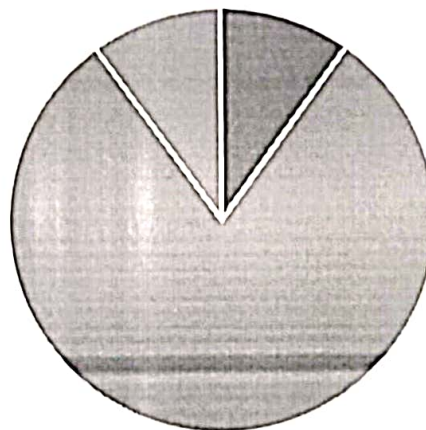

The administrative staff is helpful and supportive.

■ Excellent ■ Very Good ■ Good ■

- There are clear communication channels between faculty and administration: Yes, there are very clear communication between faculty and administration, so 80% marked very good, 10% excellent and 10% good.

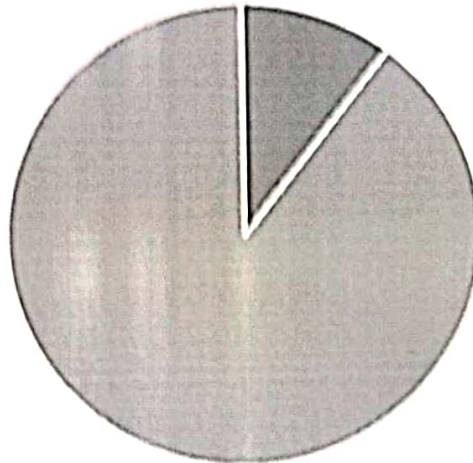

There are clear communication channels between faculty and administration

■ Excellent ■ Very Good ■ Good ■

- The institution prioritizes student success and well-being: when this point is concerned the opinion of the faculties are divided into 30% Excellent and 70% Very Good.

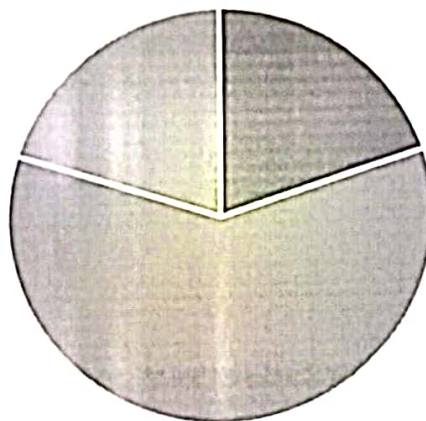

The institution prioritizes student success and well-being.

• Excellent • Very Good • •

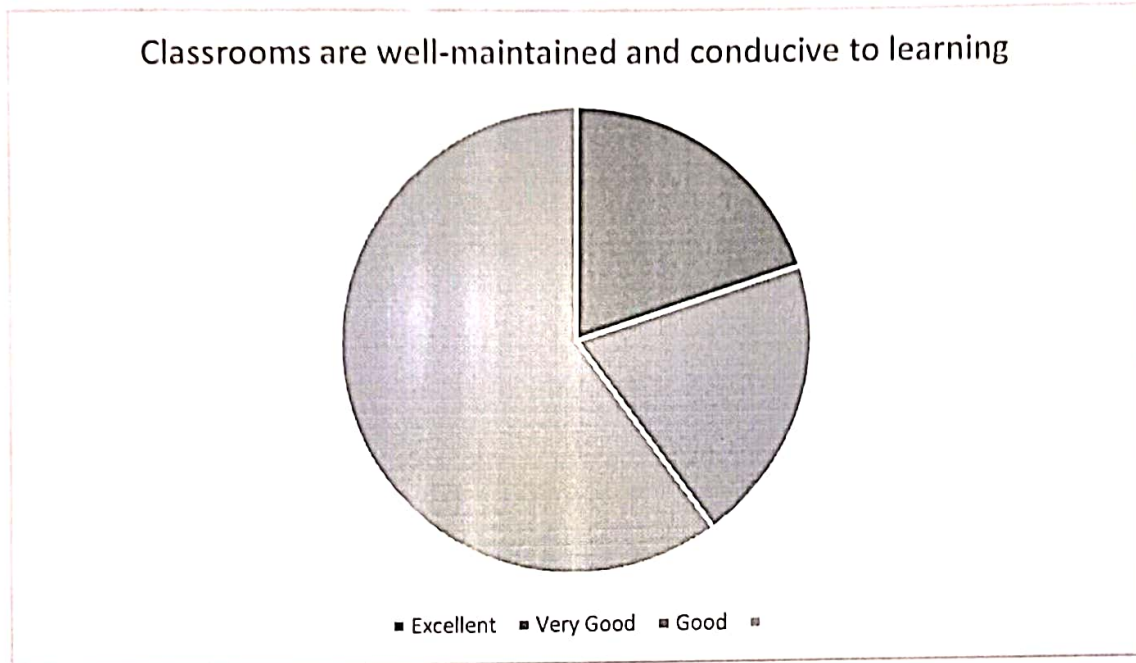

- The institution's mission and vision are clearly communicated and reflected in practices: the mission and vision are clearly communicated is accepted by 60% of the faculties by marking "Very Good" while 20% marked Excellent and 20% 'Good'.

The institution's mission and vision are clearly communicated and reflected in practices.

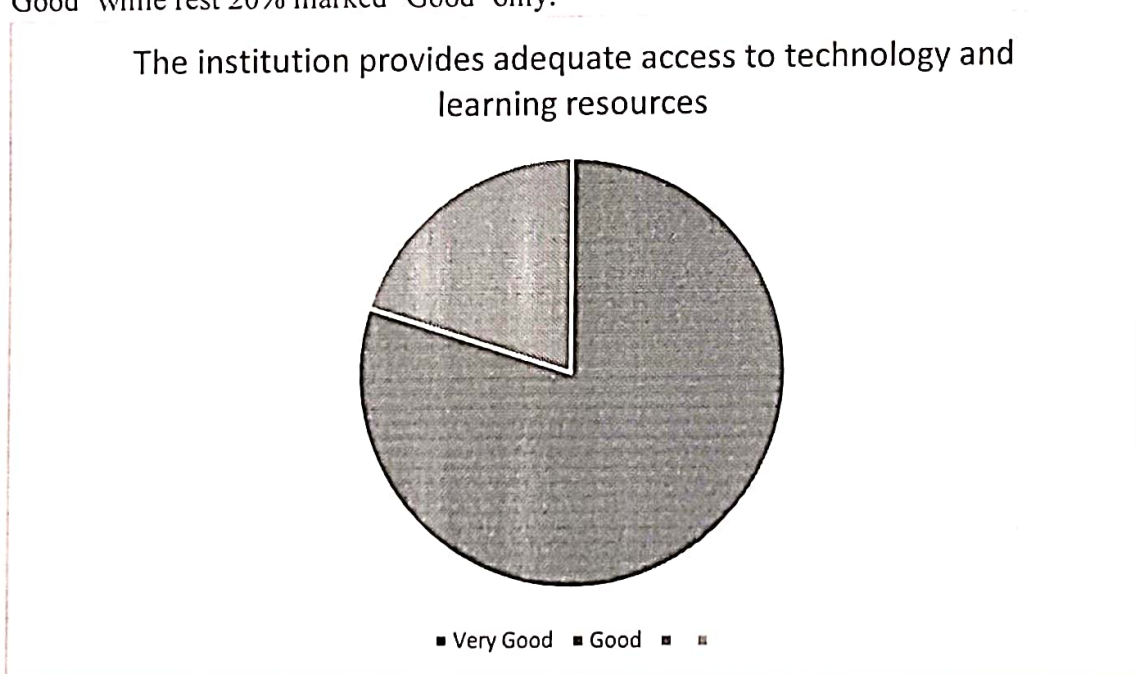

• Excellent • Very Good • Good •

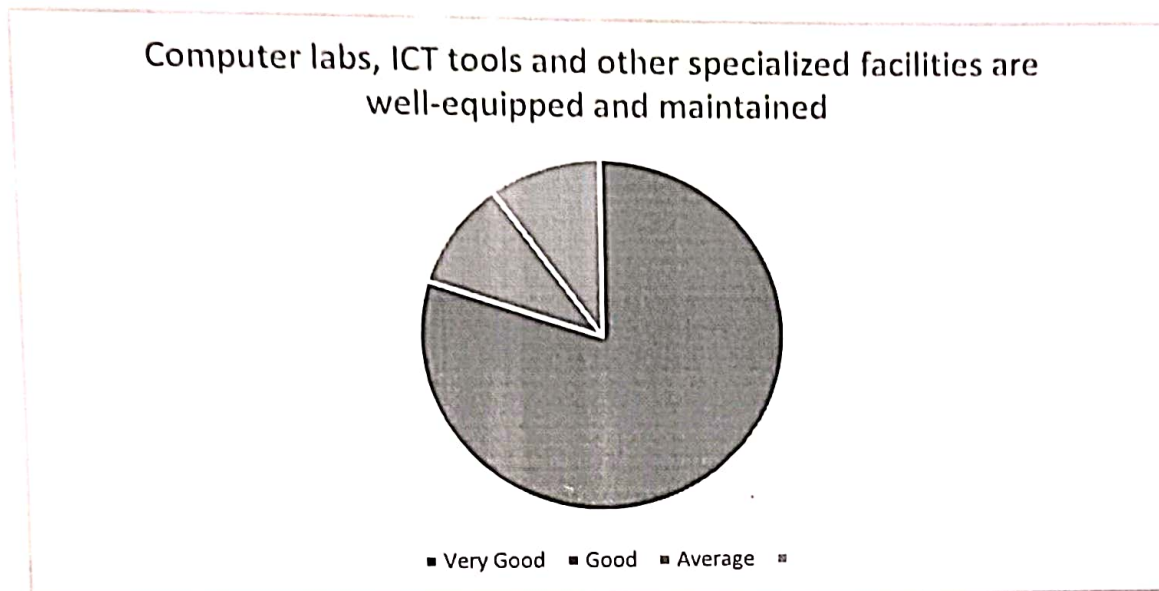

- Classrooms are well-maintained and conducive to learning : the maintenance of the class rooms should be improved so 20% marked Excellent, 20% Very Good and the rest 60% marked Good.

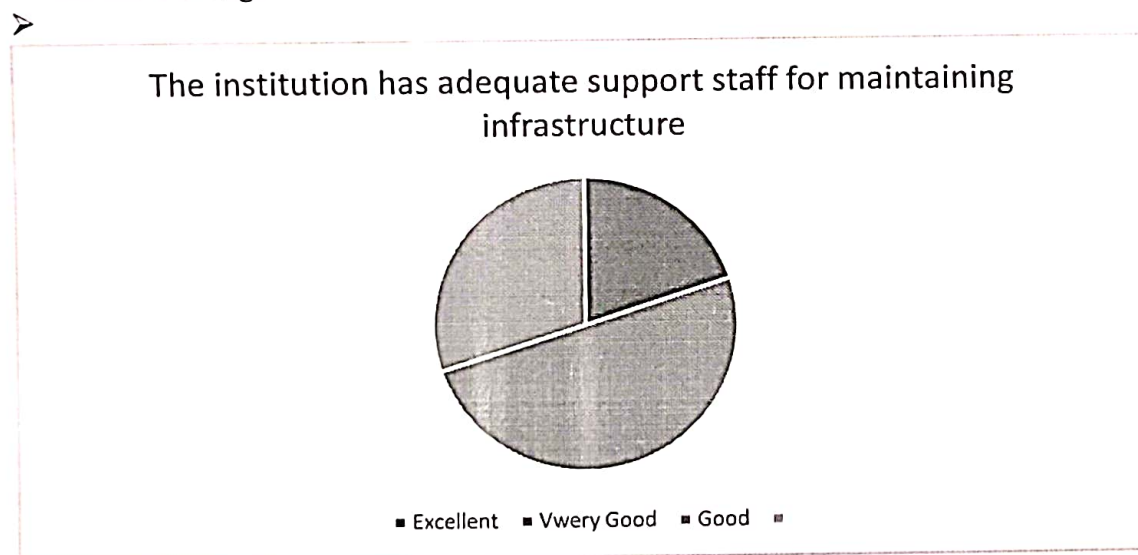

- The institution provides adequate access to technology and learning resources: Regarding adequate access to technology, 80% faculties are highly satisfied and marked 'Very Good' while rest 20% marked 'Good' only.

- Computer labs, ICT tools and other specialized facilities are well-equipped and maintained : 80% faculties marked Very Good, and the rest 20% is divided equally between Good and Average.

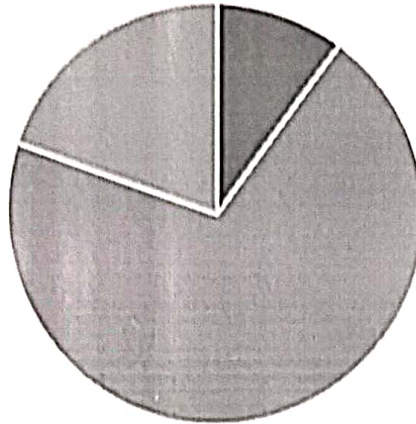

- The institution has adequate support staff for maintaining infrastructure : 50% faculty members expressed their feeling by marking Very Good and 20% Excellent and 30% marked Average

- The overall infrastructure contributes to a positive learning environment: 70% faculties agreed to this point by marking 'Very Good' and 10% Excellent but the rest 20% marked Good.

The overall infrastructure contributes to a positive learning environment

■ 1st Qtr ■ Very Good ■ Good ■

COMMENTS

- More class room with well equipped ICT tools is very much needed.
- The college is developing in everyway.
