### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The college follows the syllabus of Assam University (the affiliating University) for T.D.C. (BA. & B.Com.) programmes. To ensure effective delivery of prescribed curriculum, all HODs of the college distribute their concerned curriculum between/ among the faculties of the department and prepares individual lesson plan based on the given curriculum. Classes are taken systematically as per the class routine prepared for each programme at the beginning of every academic session. Teachers also use TLM (both manual and electronic) to facilitate effective classroom communication and lesson delivery. Besides, all teachers maintain Teachers' Diary to document their daily academic activities in and outside the classroom. At the onset, our college conducts meetings with the HODs before commencement of classes and internal assessments as well as Internal Quality Assurance Committee (IQAC) to discuss and develop plan of action for effective enactment of the curriculum. IQAC monitors the academic activities on regular basis to ensure the execution of time table

and also monitors implementation of academic calendar and teaching-learning process.

But this year, due to covid-19 pandemic, the traditional process could not be followed partly because Government guidelines and SOPs were maintained strictly.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Before the commencement of each semester, Assam University, Silchar (the affiliating University) notifies the holiday's list and institution prepares an academic calendar for all the programmes, which contains the date of commencement, last working day of the semester, internal assessment schedule and dates for semester end examinations. Our college follows the calendar strictly and plans all its activities including the conduct of internal evaluation. However, the academic calendar could not provide this year due to pandemic. College calendar of events includes details like the total number of working days and holidays. Departmental Heads closely supervise and monitor the completion of the syllabus as per the lesson plan prepared by the faculty members. Internal assessment test is a part of the Continuous Internal Evaluation (CIE) of students. The internal assessment test timetable is prepared by the Examination Centre Committee and is published to stakeholders and conducted as per the schedule.

The Principal, through the academic committee meetings, frequently review the semester programmes and provides suitable suggestions. In case of revision of academic calendar by the University, institute incorporates the necessary changes accordingly. But for the session 2021-22, due to Covid-19 pandemic all the Government guidelines are followed including Government SOPs.

The college celebrates days of National and International importance as Republic Day, Womens' Day, No Tobacco Day, Teachers' Day, Anti Terrorism Day, International Yoga Day, etc. These celebrations nurture the moral, ethical and social values in the students. The college has Women Cell & Grievance Redressal Cell to provide counseling to the students, promote gender equity among students and also deal with related issues of safety and security. The college campus is under CCTV surveillance. There are separate Girls' and Boys' Common room (in-campus) for providing recreation facilities to all students. The college offers Environmental Studies (EVS) course for both Arts and Commerce programme under Assam /university syllabus to insert values and awareness among students about the importance of environment and ecosystem.

Besides, the college has a water body inside its campus for rain water harvesting which is used for gardening, toilet & cleaning purposes. The college has a tradition of plantation of saplings in all occasions comprising the Earth Day, World Environment Day, NSS Day and so on. Keeping in view the environmental aspect, the college has its Eco-Club, Campus Beautification and Aforestation Cell, IQAC.

## 2.2 - Catering to Student Diversity

### 2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The various departments of the college assess the learning levels of the students and organize special programmes for advanced learners and slow learners. Advanced learners and slow learners are identified on as per their responses in the class room as well as their performance in the internal examinations. Advanced learners are encouraged to ask their concern freely and frequently with the teachers. They are encouraged to study recommended advanced textbooks for their advanced studies. Online resources are made available to them in order to strengthen their subject based knowledge. They are motivated to participate in seminars, workshops and group discussions to enhance their knowledge and build confidence in them.

The departments use monitoring and mentoring to keep track of slow learners' progress. Along with teachers some advanced learners are encouraged to mentor weak students and help them with explanation and notes. The department organizes remedial classes for slow learners, where in they are encouraged to identify and overcome their shortcomings. Revision classes and counseling sessions are held and additional teaching is taken up by the faculty members if required. The department provides atmosphere for conductive

learning to both slow and advanced learners.

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The faculty members of the college participate in various workshops, seminars and short terms courses from time to time to enhance their knowledge and teaching skills, which ultimately leads to the enhancement of the students.

For real time exposure, students are encouraged to participate in field visits and surveys to supplement the teaching process and provide experiential learning. . The faculty members identify and propose academically significant field visits and surveys.

In participative learning, teachers make classes as interactive as possible. Group discussions under the guidance of teachers are conducted; where in the ideas and views of each student is explored. Every department's teacher facilitates learning by allowing each individual student to comprehend at their personal level by ensuring their involvement in class activities so that they can absorb and grasp information at their own pace. The students are encouraged to participate in activities and camps of NSS in order to inculcate in them a sense of social obligation and responsibility for social and community welfare.

Internal assessments in the form of assignments are so planned so as encourage students to work independently by researching on the given topic and thus enhancing writing skills and inculcating interest in research activities.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The use of ICT in education not only improves classroom teaching learning process, but also provides the facility of e-learning and distance learning to the learners. It served as a boon for the teachers as well as the students of Lala Rural College during the period of covid-19 pandemic, when the need aroused for distance teaching and learning. In one of the meetings of IQAC dated 18th November, 2020 the House agreed upon to reach maximum number of students through WhatsApp group and connect them with virtual classrooms being organized by each department. Accordingly, all HoDs and teachers have been sensitized and oriented to use virtual platforms. The college is well equipped with some basic digital infrastructural devices such as computers, digital smart boards, xerox machines, printers, etc. During the period of pandemic the institution switched to some digital initiatives in teaching learning and evaluation. All the departments adopted the best ways to set up a virtual classroom for the students to facilitate maximum syllabus coverage and keep the students engage with the system. WhatsApp messenger has been mostly used to offer the handwritten notes. Besides this, online quizzes have also been organized frequently for students using Google Forms.

### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

In order to ensure transparency, the entire evaluation procedure of internal assessment including rules and regulations of the affiliating university are well communicated to the students. The academic calendar, made available in the notice board, helps the students to know well in advance about the probable months of unit tests and accordingly they can plan their study. Evaluation method is designed in such a way that the periodic performance of the student can be checked and reported. Model questions and marking scheme is explained by considering the previous years' Final Examination question papers. Internal assessment comprises of two periodical tests and student attendance for all the departments of the college and assignments for practical papers in case of commerce department only. Proper routine is prepared for the unit tests and the tests are conducted under the supervision of invigilators. After evaluation, marks and assessment copies are shown to the students with prior suggestions and also to bring out discrepancies if any. All the records and data bank of attendance in internal examinations, question papers, answer sheets/copies, summary of marks sheets, are properly maintained by the teachers for academic monitoring/academic audit.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The college has a well organised mechanism for redressal of internal examination related grievances i.e. a transparent, time-bound and efficient method is being followed in dealing with internal examination related grievances. Various class tests are held at departmental level throughout the semester, prominent among them are- Unit Test-I and Unit Test-II, which form part of Internal Assessment. The teacher concerned evaluates the papers within a week of conduction of test. The evaluated answers sheets are then shown by the teacher to students in class and individual grievances are undertaken as well as the mistakes are pointed out that contributed to the obtaining of below expectations if any. Marks of both the unit-tests are calculated and displayed in the notice board at the end of the 2nd Unit Test and if any discrepancies are reported by the students related to the marks of Unit Test-1 that displayed earlier or any other, then it is resolved by the concerned subject teacher immediately. If the case happens to be a matter which cannot be resolved at departmental level then the concerned student can approach the Grievance Redressal Cell, IQAC and get the matter redressed as per requirement.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

In the very beginning of the academic session, a Teachers' Council meeting is held, wherein the program outcomes, program specific outcomes and course outcomes in general are discussed. In this very meeting, a resolution for departmental meeting is passed and accordingly all the concerned departments of the college held their departmental meetings before the commencement of classes and have an in-depth discussion on their concerned programme and course outcomes. The departments also plan out the mechanism for communicating the same to the students.

As per the proceedings of the departmental meetings held during this academic session 2021-22, the teachers came up with the

following mechanisms for communicating programme and course outcomes to the students : classroom discussions, parent -teachers meeting, etc. Besides, outcomes are also displayed in the classrooms for the convenience of the students.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

With the introduction of CBCS by the Assam University, Silchar from the Academic year 2018, the college felt the infrastructural facilities inadequate as the college has only 15 (Fifteen) numbers of classrooms available wherein the classes for Higher Secondary are also to be adjusted. The college, spread in two sides of PWD Road has adequate space available for construction of additional classrooms.

-

1. Classroom: The college requires more classrooms to accommodate the increasing number of students but as there are only 15 (Fifteen) numbers of classrooms; the college has to adjust the increasing number of students within these classrooms. The college provides the requirements of classrooms e.g., desks, bench, chairs, green/white boards, chalk, markers, etc.

2. Laboratory: There is a Computer Laboratory in the college. In the laboratory there are 14 (Fourteen) numbers of Computers in working position at present. Students go in regular basis to practice the computers in Computer Laboratory. The students of Commerce Stream are generally using the computers.

3. Computing Equipment: The college has installed the computer in the office in 2005/2006. At present, all official activities including Admission, Examination; Preparations of salary etc. are being done through computers.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The College since its inception in 1964 has always had a strategic plan to achieve its vision and mission and guide it in the path of growth and development. Despite its rural location the college successfully imparted education to economically weaker section of the society and first learners of this part of the state.

In 1990s the college tremendously improved in all the areas and in 2004 the college has accredited by NAAC with C++.

According to the recommendation of the NAAC Peer team, the college focused on improving quality education thereby encouraged the faculty to undertake research activities and today the college has nearly 70% of faculty members and the college aims it to increase to more than 90% in the next 5 years.

To impart quality education as per the academic calendar issued by the University, suggestions are sought from the faculty members. They are finalized by the HoDs of all the concerned departments in consultation with the faculty members. Thereafter it is discussed in the HoDs meeting with the principal.

Moreover, the college signed MoUs with S.K Roy College, Katlicherra and S.S College, Hailakandi for faculty exchange which will eventually benefit all these three institutions.

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Lala Rural College has been patronizing the idea of gender equality and gender justice by giving equal consideration to the girl students honoring their identity and ethnicity irrespective of caste and religion. The college boasts of a women's cell that creates awareness among the students enlightening them about women empowerment as well as various avenues of employment and skill development.

The College has an Anti- Ragging Cell to create awareness among the students about the Anti-ragging regulations and also about the

bad impact of ragging on the minds of new students in general and girls in particular. This cell continuously works to ensure a ragging free campus and provide helpline numbers to students for any emergency call for assistance.

Towards ensuring safety and security of the campus, the college installed sufficient numbers of CCTV cameras inside the campus.

The college has a provision for Girls' Common Room which has been designed to give girl students a space to relax and study in free time available. This room is equipped with drinking water facility and with attached washroom with running water, sanitary napkin, sitting arrangement, indoor games, electricity etc.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Geographically, the college is situated in a rural based locality; it has been facing challenges since its inception to bring the first generation learners within the fold of higher education and to reduce the drop-outs. In this direction, the college takes measures to draw attention of under-privileged people, especially of the tea garden area to the need and importance of higher education. The college deems it fundamental to reach out to the people of tea gardens and get them educated so that they can fit into the global changing scenario. To this effect, they are sensitized to the positive aspects of education, health and pollution free environment. As a part of the campaign for the inclusive awareness, the NSS unit of the college set special camps in the rural based locality or in the tea garden areas. Accordingly free medical camp is organized for the people of such locality; plantation of saplings and cleanliness drive are conducted by students with the cooperation of local people to make them aware of the importance of plantation for the conducive and viable environment. All these efforts are aimed at encouraging the promotion of higher education in these localities.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The college follows the syllabus of Assam University (the affiliating University) for T.D.C. (BA. & B.Com.) programmes. To ensure effective delivery of prescribed curriculum, all HODs of the college distribute their concerned curriculum between/ among the faculties of the department and prepares individual lesson plan based on the given curriculum. Classes are taken systematically as per the class routine prepared for each programme at the beginning of every academic session. Teachers also use TLM (both manual and electronic) to facilitate effective classroom communication and lesson delivery. Besides, all teachers maintain Teachers' Diary to document their daily academic activities in and outside the classroom. At the onset, our college conducts meetings with the HODs before commencement of classes and internal assessments as well as Internal Quality Assurance Committee (IQAC) to discuss and develop plan of action for effective enactment of the curriculum. IQAC monitors the academic activities on regular basis to ensure the execution of time table and also monitors implementation of academic calendar and teaching-learning process.

But this year, due to covid-19 pandemic, the traditional process could not be followed partly because Government guidelines and SOPs were maintained strictly.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Before the commencement of each semester, Assam University, Silchar (the affiliating University) notifies the holiday's list and institution prepares an academic calendar for all the programmes, which contains the date of commencement, last

working day of the semester, internal assessment schedule and dates for semester end examinations. Our college follows the calendar strictly and plans all its activities including the conduct of internal evaluation. However, the academic calendar could not provide this year due to pandemic. College calendar of events includes details like the total number of working days and holidays. Departmental Heads closely supervise and monitor the completion of the syllabus as per the lesson plan prepared by the faculty members. Internal assessment test is a part of the Continuous Internal Evaluation (CIE) of students. The internal assessment test timetable is prepared by the Examination Centre Committee and is published to stakeholders and conducted as per the schedule.

The Principal, through the academic committee meetings, frequently review the semester programmes and provides suitable suggestions. In case of revision of academic calendar by the University, institute incorporates the necessary changes accordingly. But for the session 2021-22, due to Covid-19 pandemic all the Government guidelines are followed including Government SOPs.

### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The college celebrates days of National and International importance as Republic Day, Womens' Day, No Tobacco Day, Teachers' Day, Anti Terrorism Day, International Yoga Day, etc. These celebrations nurture the moral, ethical and social values in the students. The college has Women Cell & Grievance Redressal Cell to provide counseling to the students, promote gender equity among students and also deal with related issues of safety and security. The college campus is under CCTV surveillance. There are separate Girls' and Boys' Common room (in-campus) for providing recreation facilities to all students. The college offers Environmental Studies (EVS) course for both Arts and Commerce programme under Assam /university syllabus to insert values and awareness among students about the importance of environment and ecosystem. Besides, the college has a water body inside its campus for rain water harvesting which is used for gardening, toilet & cleaning purposes. The college has a tradition of plantation of saplings in all occasions comprising the Earth Day, World Environment Day, NSS Day and so on. Keeping in view the environmental aspect, the college has its Eco-Club, Campus Beautification and Aforestation Cell, IQAC.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The various departments of the college assess the learning levels of the students and organize special programmes for advanced learners and slow learners. Advanced learners and slow learners are identified on as per their responses in the class room as well as their performance in the internal examinations. Advanced learners are encouraged to ask their concern freely and frequently with the teachers. They are encouraged to study recommended advanced textbooks for their advanced studies. Online resources are made available to them in order to strengthen their subject based knowledge. They are motivated to participate in seminars, workshops and group discussions to enhance their knowledge and build confidence in them.

The departments use monitoring and mentoring to keep track of slow learners' progress. Along with teachers some advanced learners are encouraged to mentor weak students and help them with explanation and notes. The department organizes remedial classes for slow learners, where in they are encouraged to identify and overcome their shortcomings. Revision classes and counseling sessions are held and additional teaching is taken up by the faculty members if required. The department provides atmosphere for conductive learning to both slow and advanced learners.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The faculty members of the college participate in various workshops, seminars and short terms courses from time to time to enhance their knowledge and teaching skills, which ultimately leads to the enhancement of the students.

For real time exposure, students are encouraged to participate in field visits and surveys to supplement the teaching process and provide experiential learning. . The faculty members identify and propose academically significant field visits and surveys.

In participative learning, teachers make classes as interactive as possible. Group discussions under the guidance of teachers are conducted; where in the ideas and views of each student is explored. Every department's teacher facilitates learning by allowing each individual student to comprehend at their personal level by ensuring their involvement in class activities so that they can absorb and grasp information at their own pace. The students are encouraged to participate in activities and camps of NSS in order to inculcate in them a sense of social obligation and responsibility for social and community welfare.

Internal assessments in the form of assignments are so planned so as encourage students to work independently by researching on the given topic and thus enhancing writing skills and inculcating interest in research activities.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The use of ICT in education not only improves classroom teaching learning process, but also provides the facility of e-learning and distance learning to the learners. It served as a boon for the teachers as well as the students of Lala Rural College during the period of covid-19 pandemic, when the need aroused for distance teaching and learning. In one of the meetings of IQAC dated 18th November, 2020 the House agreed upon to reach maximum number of students through WhatsApp group and connect them with virtual classrooms being organized by each department. Accordingly, all HoDs and teachers have been sensitized and oriented to use virtual platforms. The college is well equipped with some basic digital infrastructural devices such as computers, digital smart boards, zerox machines, printers, etc. During the period of pandemic the institution switched to some digital initiatives in teaching learning and evaluation. All the departments adopted the best ways to set up a virtual classroom for the students to facilitate maximum syllabus coverage and keep the students engage with the system. WhatsApp messenger has been mostly used to offer the handwritten notes. Besides this, online quizzes have also been organized frequently for students using Google Forms.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

In order to ensure transparency, the entire evaluation procedure of internal assessment including rules and regulations of the affiliating university are well communicated to the students. The academic calendar, made available in the notice board, helps the students to know well in advance about the probable months of unit tests and accordingly they can plan their study. Evaluation method is designed in such a way that the periodic performance of the student can be checked and reported. Model questions and marking scheme is explained by considering the previous years' Final Examination question papers. Internal assessment comprises of two periodical tests and student attendance for all the departments of the college and assignments for practical papers in case of commerce department only. Proper routine is prepared for the unit tests and the tests are conducted under the supervision of invigilators. After evaluation, marks and assessment copies are shown to the students with prior suggestions and also to bring out discrepancies if any. All the records and data bank of attendance in internal examinations, question papers, answer sheets/copies, summary of marks sheets, are properly maintained by the teachers for academic monitoring/academic audit.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The college has a well organised mechanism for redressal of

internal examination related grievances i.e. a transparent, time-bound and efficient method is being followed in dealing with internal examination related grievances. Various class tests are held at departmental level throughout the semester, prominent among them are- Unit Test-I and Unit Test-II, which form part of Internal Assessment. The teacher concerned evaluates the papers within a week of conduction of test. The evaluated answers sheets are then shown by the teacher to students in class and individual grievances are undertaken as well as the mistakes are pointed out that contributed to the obtaining of below expectations if any. Marks of both the unit-tests are calculated and displayed in the notice board at the end of the 2nd Unit Test and if any discrepancies are reported by the students related to the marks of Unit Test-1 that displayed earlier or any other, then it is resolved by the concerned subject teacher immediately. If the case happens to be a matter which cannot be resolved at departmental level then the concerned student can approach the Grievance Redressal Cell, IQAC and get the matter redressed as per requirement.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

In the very beginning of the academic session, a Teachers' Council meeting is held, wherein the program outcomes, program specific outcomes and course outcomes in general are discussed. In this very meeting, a resolution for departmental meeting is passed and accordingly all the concerned departments of the college held their departmental meetings before the commencement of classes and have an in-depth discussion on their concerned programme and course outcomes. The departments also plan out the mechanism for communicating the same to the students.

As per the proceedings of the departmental meetings held during this academic session 2021-22, the teachers came up with the following mechanisms for communicating programme and course outcomes to the students : classroom discussions, parent

-teachers meeting, etc. Besides, outcomes are also displayed in the classrooms for the convenience of the students.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

With the introduction of CBCS by the Assam University, Silchar from the Academic year 2018, the college felt the infrastructural facilities inadequate as the college has only 15 (Fifteen) numbers of classrooms available wherein the classes for Higher Secondary are also to be adjusted. The college, spread in two sides of PWD Road has adequate space available for construction of additional classrooms.

-

1. Classroom: The college requires more classrooms to accommodate the increasing number of students but as there are only 15 (Fifteen) numbers of classrooms; the college has to adjust the increasing number of students within these classrooms. The college provides the requirements of classrooms e.g., desks, bench, chairs, green/white boards, chalk, markers, etc.

2. Laboratory: There is a Computer Laboratory in the college. In the laboratory there are 14 (Fourteen) numbers of Computers in working position at present. Students go in regular basis to practice the computers in Computer Laboratory. The students of Commerce Stream are generally using the computers.

3. Computing Equipment: The college has installed the computer in the office in 2005/2006. At present, all official activities including Admission, Examination; Preparations of salary etc. are being done through computers.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

**(A) Cultural Activities:-**

Annual Social Meet is organised during January/ February of the year, the national, international remarkable days are observed held in the Auditorium Hall. The programmes scheduled for the various occasions are, Songs, Dances, Dramas, Debate, Quiz Competition, Painting Competition, Mehendi Competition etc.

**(B) Sports -**

The college has open fields in both the blocks of the college for conducting sports activities. There is a Basket Ball Play Ground, which is under construction. Annual sports meet is conducted every year. Students participate in following disciplines in Indoor and Outdoor Games: ---

1. Outdoor Games: Cricket, Volleyball, Badminton, Athletics.
2. Indoor Games: Carrom, Chess & Ludo. Besides, the college has permitted the District Sports Authority to use the college field for practice, such as Hockey for girls where the students of the college also take part in. Till date as per the data provided by the D S A, Hailakandi, a total number of 33 girls of the locality have been recruited in Assam Police Department.

**(C) Gymnasium:-**

The college has its own gymnasium under the supervision of Sports Committee. Students of our college use it for physical fitness.

**(D) Yoga:-**. The college observes the International Yoga Day every year.

### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

##### **Our Vision**

**Our vision is to create knowledge based human resource equipped with a scientific temper and team spirit and making them competent and ethically strong future citizens who can successfully face challenges in life and effectively**

contributes to the society.

#### Our Mission

Our mission is to provide quality education to students including economically weaker students in particular, irrespective of the cast, creed or any other consideration and in this process of learning system to ensure their full dedication and commitment in all spears of life.

#### Objectives

The objectives of the New Education Policy 2020 is clearly reflected in the mission and vision of the college for providing education to all by ensuring the quality of being fair and impartial and increasing access to education. It is a motto of the college to inculcate value system by ensuring that academic excellence leads to character development.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Governing body, which is the supreme body of the college management, is highly responsive and plans in detailed manner to optimum utilization of resources. This body is constituted with local elite as president, the principal as secretary, two teachers' representatives, two university nominees and three guardian members. In addition, the college has a teacher's council chaired by the principal, IQAC and other committees like Construction committee, Examination Centre Committee to help in design and implementation of quality policy and plans.

The college maintains an excellent interpersonal relationship with the management with teachers, office staffs and students. The college has information feedback tools like meetings of the staffs, head of the departments, teachers' council and various other activities which are organized from time to time. The

management encourages staffs to give suggestions for improving the efficiency of the institution which are implemented on a priority basis.

To address transparency in operation, the fees to be charged from the students is clearly mentioned in the prospectus. The scheme of evaluation and the grievance redressal cell details are also clearly explained in the prospectus.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The College since its inception in 1964 has always had a strategic plan to achieve its vision and mission and guide it in the path of growth and development. Despite its rural location the college successfully imparted education to economically weaker section of the society and first learners of this part of the state.

In 1990s the college tremendously improved in all the areas and in 2004 the college has accredited by NAAC with C++.

According to the recommendation of the NAAC Peer team, the college focused on improving quality education thereby encouraged the faculty to undertake research activities and today the college has nearly 70% of faculty members and the college aims it to increase to more than 90% in the next 5 years.

To impart quality education as per the academic calendar issued by the University, suggestions are sought from the faculty members. They are finalized by the HoDs of all the concerned departments in consultation with the faculty members. Thereafter it is discussed in the HoDs meeting with the principal.

Moreover, the college signed MoUs with S.K Roy College, Katlicherra and S.S College, Hailakandi for faculty exchange

which will eventually benefit all these three institutions.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Geographically, the college is situated in a rural based locality; it has been facing challenges since its inception to bring the first generation learners within the fold of higher education and to reduce the drop-outs. In this direction, the college takes measures to draw attention of under-privileged people, especially of the tea garden area to the need and importance of higher education. The college deems it fundamental to reach out to the people of tea gardens and get them educated so that they can fit into the global changing scenario. To this effect, they are sensitized to the positive aspects of education, health and pollution free environment. As a part of the campaign for the inclusive awareness, the NSS unit of the college set special camps in the rural based locality or in the tea garden areas. Accordingly free medical camp is organized for the people of such locality; plantation of saplings and cleanliness drive are conducted by students with the cooperation of local people to make them aware of the importance of plantation for the conducive and viable environment. All these efforts are aimed at encouraging the promotion of higher education in these localities.
